

Employee Workplace Giving

It's easy to join Sunnyfield's internal workplace giving program and make a fortnightly donation of your choice. Simply choose the amount you would like to donate and Sunnyfield payroll will deduct this from your pre-tax salary each fortnight.

Sunnyfield uses donations to fund additional resources not covered under funding received from the NDIS. This includes things such as common furniture and appliances needed in Shared Living homes, sports equipment, tech equipment or arts and crafts materials needed in Community Services Hubs, health and well being programs, property upgrades and much needed vehicles for transport as examples!

These additional resources contribute to building skills, increasing independence and enhancing the everyday experiences for people with disability choosing Sunnyfield services.

Yes! I would like to join the Sunnyfield Workplace Giving Program

YOUR FORTNIGHTLY DONATION

I authorise Sunnyfield to deduct the following pre-tax donation from my pay per fortnight:

\$5 \$10 \$25 My choice \$

I understand that donations will commence from the first available pay date after the payroll team receives this authorisation. My donations can be stopped at any time by contacting the Payroll department.
